

## Cub Scout Pack 616

### Jim Turner Campership Application Form 2015

This campership has been established to select and award financial assistance to Pack 616 Cub Scouts and their parent/guardian in honor of our late cub master and friend Jim Turner. These camperships will be awarded to cubs who encompass the values and principles of scouting. All information will remain confidential and applications will be judged through a non-bias process of application review as well as review of the Scouts achievements and values as demonstrated through the scout year. Applications are due to your leader no later than one week prior to the camp registration date. (i.e. Last day for Summer camp registration is 5/20/15, campership application due date is 5/13/15).
